**Direct and Indirect Speech** Florian Coulmas, 2011-07-22 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language. The series publishes state-of-the-art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science. TRENDS IN LINGUISTICS considers itself a forum for cutting-edge research based on solid empirical data on language in its various manifestations, including sign languages. It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language. TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes, which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints. High quality standards are ensured through anonymous reviewing.

**Italian Verbs with Exercises** Editorial Karibdis, 2024-04-01 Italian Verbs with Exercises is an extensive resource designed to assist learners of the Italian language in mastering verb conjugations and their correct usage. The book serves as both a comprehensive guide and a practical workbook for students at various levels of proficiency. The introduction of the book lays the groundwork by presenting an overview of the formation and use of all Italian verb tenses. It aims to provide learners with a solid understanding of how different tenses are structured, when they should be used, and the nuances they bring to the language. Following the introduction, the book delves into the core of Italian verb conjugation. It presents 161 model conjugations, covering a wide range of both regular (11 models) and irregular verbs (150 models). These models serve as a reference point for students, illustrating patterns and exceptions that are crucial for forming correct verb tenses. Each model verb is accompanied by a set of examples that put the verb into context, demonstrating its use in practical, real-life sentences. This approach helps learners not only memorize the conjugation but also understand how to apply it in conversation or writing. To reinforce the learning process, the book includes exercises that are strategically distributed throughout the text. These activities are designed to test the students' knowledge as they progress, ensuring that they practice conjugating verbs and using them in appropriate tenses. In addition to the exercises, Italian Verbs with Exercises offers an extensive verb list, featuring more than 2500 verbs. Each verb in the list references back to one of the 161 model
conjugations, making it easy for learners to understand how to conjugate it by drawing parallels with the model. This list is an invaluable tool for students to expand their vocabulary and for quick reference during practice. Each verb in the list also comes with its English translation, aiding students who are learning Italian as a second language to quickly grasp the meaning of unfamiliar verbs and incorporate them into their active vocabulary. Italian Verbs with Exercises is not just a textbook; it's a practical companion for any learner who wishes to gain fluency and confidence in using Italian verbs. With its clear explanations, abundant examples, and rigorous exercises, this book promises to be an essential tool in the journey to mastering the Italian language. Whether for self-study or as a supplement to classroom instruction, it offers a thorough approach to one of the most important aspects of learning Italian.

Direct and Indirect Speech There are two ways to express what someone else has said. On this basis, sentences are of two types: sentences with Direct Speech, and sentences with Indirect Speech DIRECT SPEECH Direct Speech is also called Quoted Speech or Direct Narration. Direct Speech refers exactly what someone has said. Direct Speech appears within quotation marks (“..”). A comma is used before starting the exact quote within the quotation marks. Direct Speech should be word for word. The first letter of the quotation begins with a capital letter. Example: The president said, “I will not bear corruption in the country at any cost.” INDIRECT SPEECH Indirect speech is also called Reported Speech or Indirect Narration. Indirect Speech refers exactly what someone has said. Direct Speech appears within quotation marks (“..”). A comma is used before starting the exact quote within the quotation marks. Direct Speech should be word for word. The first letter of the quotation begins with a capital letter. Example: The president said, “I will not bear corruption in the country at any cost.” Important rules for changing Direct Speech into Indirect Speech are as follows: 02. Expression of Time You need to
change the expression of a time when changing direct speech (DS) into indirect speech (IDS) to match the moment of speaking. Important expressions of time in direct and indirect speech are as follows: ‘a month ago’ is changed into ‘a month before’ ‘a year ago’ is changed into ‘the previous year’ or ‘a year before’ ‘last night’ is changed into ‘the night before’ ‘last Saturday’ is changed into ‘the Saturday before’ ‘last weekend’ is changed into ‘the weekend before’ ‘next year’ is changed into ‘the following year’ or ‘the year after’ ‘now’ is changed into ‘then’ ‘the day after tomorrow’ is changed into ‘in two days’ ‘the day before yesterday’ is changed into ‘two days before’ ‘these (days)’ is changed into ‘those (days)’ ‘this (morning/noon/evening)’ is changed into ‘that (morning/noon/evening)’ ‘today’ is changed into ‘that day’ ‘tomorrow’ is changed into ‘the next/following day’ or ‘the day after’ ‘tonight’ is changed into ‘that night’ ‘yesterday’ is changed into ‘the previous day’ or ‘the day before’ ‘Besides expressions of time, there are many other expressions that need to be changed if you are changing Direct Speech into Indirect Speech. ‘come’ is changed into ‘go’ ‘bring’ is changed into ‘take’ ‘thus’ is changed into ‘so’ ‘hence’ is changed into ‘thence’ ‘hither’ is changed into ‘thither’ ‘here’ is changed into ‘there’
