Uzbekistan: The Road to Samarkand Yaffa Assouline, 2020-02-01 At the heart of Central Asia lies a land where colossal mountains and sweeping valleys sleep under a blanket of lush greenery. Crowned with golden palaces and wondrous monuments, the architectural landscape of the region is so rich with detail, the structures have been said to mirror the heavens themselves. One of the few destinations on Earth where imagination aligns with reality, Uzbekistan flourishes with unparalleled scenery and unforgotten traditions. The towns and cities are like 'open museums', each edifice offering a unique and intricate aesthetic, each a testament to diverse cultural influences and diverse periods of history. Nature and architecture have a unique relationship, seemingly inspired by each other, as if they were trying to outdo each other with their beauty. Discover the beautiful colors, textures and flavors of this incredible culture and journey through the cities of the Silk Road and the lands of Alexander The Great with stunning original photography by Laziz Hamani.

Uzbekistan Calum MacLeod, 2021-03 From the blue-tiled splendor of Tamerlane's Samarkand to the holy city of Bukhara, which boasts a mosque for each day of the year, and beyond to the desert-girdled khanate of Khiva, Uzbekistan lays claim to a breathtaking architectural legacy. Bound by sand and snow, fed by meltwater from the Roof of the World, these fertile oases attracted the greatest travelers and conquerors in history along the fragile threads of the Silk Road. This groundbreaking guide, continually revised and updated, focuses on the wealth of sites and colorful legends at the heart of Central Asia, plus the best of the rest--excursions covering the major nearby attractions of neighboring republics Kazakhstan, Kyrgyzstan, Tajikistan, and Turkmenistan.

Uzbekistan Bradley Mayhew, 2014 No one should visit Samarkand, Bukhara, Khiva or indeed Central Asia without this meticulously researched and gorgeously illustrated guide.

The Golden Road to Samarkand Wilfrid Blunt,1973 Taking as his title the famous phrase from Flecker's Hassan, the author follows the journeys of a number of men who have ventured across Central Asia during the last 2,000 years. An epilogue gives an account of Samarkand today, where skilful restoration is saving remains of the past in one of history's most enchanted cities.

Walking to Samarkand Bernard Ollivier,2020-04-14 Acclaimed journalist Bernard Ollivier continues his epic journey across Persia and Central Asia as he walks the length of the Great Silk Road. Walking to Samarkand is journalist Bernard Ollivier's stunning account of the second leg of his 7,200-mile walk from Istanbul, Turkey, to Xi'an, China, along the Silk Road--the longest and perhaps most mythical trade route of all time. Picking up where Out of Istanbul left off, Ollivier heads out of the Middle East and into Central Asia, grappling not only with his own will to continue but with new, unforeseen dangers. After crossing the final mountain passes of Turkish Kurdistan, Ollivier sets foot in Iran, keen on locating vestiges of the silk trade as he passes through Persia's modern cities and traditional villages, including Tabriz, Tehran, Nishapur, and the holy city of Mashhad. Beyond urban areas lie deserts: first Iran's Great Salt Desert, then Turkmenistan's forbidding Karakum, whose relentless sun, snakes, and scorpions pose continuous challenges to Ollivier's goal of reaching Uzbekistan. Setting his own fears aside, he travels on, wonderstruck at every turn, borne by a childhood dream: to see for himself the golden domes and turquoise skies of Samarkand, one of Central Asia's most ancient cities. But what Ollivier enjoys most are the people along the way: Askar, the hospitable gardener; the pilgrims of Mashhad; and his knights in shining armor, Mehdi and Monir. For, despite setting out alone, he comes to find that walking itself--through a kind of alchemy--surrounds him with friends and fosters fellowship. From the authoritarian mullahs of revolutionary Iran to the warm welcome of everyday Iranians--custodians of age-old, cordial Persian culture; from the stark realities of former Soviet republics to the region's legendary bazaars--veritable feasts for the senses--readers discover, through the eyes of a veteran journalist, the rich history and contemporary culture of these amazing lands.

Journeys on the Silk Road Joyce Morgan, Conrad Walters, 2012-08-22 When a Chinese monk broke into a hidden cave in 1900, he uncovered one of the world's great literary secrets: a time capsule from the ancient Silk Road. Inside, scrolls were piled from floor to ceiling, undisturbed for a thousand years. The gem within was the Diamond Sutra of AD 868. This key Buddhist teaching, made 500 years before Gutenberg inked his press, is the world's oldest printed book. The Silk Road once linked China with the Mediterranean. It conveyed merchants, pilgrims and ideas. But its cultures and oases were swallowed by shifting sands. Central to the Silk Road's rediscovery was a man named Aurel Stein, a Hungarian-born scholar and archaeologist employed by the British service. Undaunted by the vast Gobi Desert, Stein crossed thousands of desolate miles

with his fox terrier Dash. Stein met the Chinese monk and secured the Diamond Sutra and much more. The scroll's journey—by camel through arid desert, by boat to London's curious scholars, by train to evade the bombs of World War II—merges an explorer's adventures, political intrigue, and continued controversy. The Diamond Sutra has inspired Jack Kerouac and the Dalai Lama. Its journey has coincided with the growing appeal of Buddhism in the West. As the Gutenberg Age cedes to the Google Age, the survival of the Silk Road's greatest treasure is testament to the endurance of the written word.

Central Asian Art Vladimir Lukonin, Anatoly Ivanov, 2012-06-30 The strict prohibition on the representation of the human form has channeled artistic creation into architecture and architectural decoration. This book is a magical tour through Central Asia - Khirgizia, Tadjikistan, Turkmenia, and Uzbekistan - a cradle of Ancient civilisations and a repository of the Oriental arts inspired by Buddhism and Islam. There are magnificent, full-colour photographs of the abandoned cities of Mervand Urgench, Khiva, the capital of the Kharezm, with its mausoleum of Sheikh Seid Allahuddin, and, the Golden Road to Samarkand, the Blue City, a center of civilisation for 2,500 years.

River of the Golden Ibis Gloria Jahoda, Fitzgerald Rivers of America Collection (Library of Congress), 2000-06-01 A beautifully written informal account of the Tampa Bay region.--Library Journal A colorful history of Tampa Bay, the Hillsborough River which flows into it, and the cities of Tampa and St. Petersburg, together with their smaller satellite communities.-- Publishers Weekly From its idyllic source in the Green Swamp, the Hillsborough River winds past columns of cypress and matted shrubs and opens into Tampa Bay, part of Florida's urbanized, publicized western Suncoast. The river is not a long one, but the size of its legend in contemporary America is far-reaching. Many factors have made the area special: its natural history; its successive waves of immigrants; its wars, booms, and depressions. The cigar industry, banana exporting, cattle raising, fishing, and retirement have attracted many settlers in search of the Golden Ibis. All too often the vision has proved elusive, but for some, like Henry Plant and Doc Webb, the spectacular was possible. For others, like the Seminoles, a way of life ended. In a narrative that is as exciting to read as it is historically compelling, Gloria Jahoda traces the Hillsborough River's origin to prehistoric times, chronicles the arrivals of the conquistadores, the missionaries, and the marauders greedy for civilizing and for treasure, and points out how 20th-century ambitions threaten to destroy the environment as surely as earlier encroachment annihilated native peoples. Gloria Jahoda, who lived in Tallahassee, Florida, was the author of *The Other Florida*, *The Road to Samarkand*, and the novels *Annie* and *Delilah's Mountain*. She died in 1980. *River of the Golden Ibis* was originally published in 1973.
