And A River Runs Through It

Ivan Doig

A River Runs Through It Norman Maclean, 1989-05-15 From its first sentence to the last, this novella by Norman Maclean will captivate readers with its vivid images of the Blackfoot River, its tender yet realistic renderings of Maclean's father and brother and its uncanny blending of fly fishing with the affections of the heart. Wise, witty, wonderful . . . --Publishers Weekly.

A River Runs through It and Other Stories Norman MacLean, 2017-05-03 The New York Times–bestselling classic set amid the mountains and streams of early twentieth-century Montana, “as beautiful as anything in Thoreau or Hemingway” (Chicago Tribune). When Norman Maclean sent the manuscript of A River Runs Through It and Other Stories to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, “it has trees in it.” Today, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—A River Runs Through It has established itself as a classic of the American West filled with beautiful prose and understated emotional insights. Based on Maclean's own experiences as a young man, the book's two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean’s own words, “a little of the love I have for the earth as it goes by.” “Maclean’s book—acerbic, laconic, deadpan—rings out of a rich American tradition that includes Mark Twain, Kin Hubbard, Richard Bissell, Jean Shepherd, and Nelson Algren.” —New York Times Book Review Includes a new foreword by Robert Redford, director of the Academy Award–winning film adaptation

Home Waters John N. Maclean 2021-06-01 “Beautiful. ... A lyrical companion to his father’s classic, A River Runs through It, chronicling their family's history and bond with Montana’s Blackfoot River.” —Washington Post A poetic and captivating (Publishers Weekly) memoir about the power of place to shape generations, Home Waters is John N. Maclean's remarkable chronicle of his family's century-long love affair with Montana's majestic Blackfoot River, the setting for his father's classic novella, A River Runs through It. Maclean returns annually to the simple family cabin that his grandfather built by hand, still in search of the trout of a lifetime. When he hooks it at last, decades of longing promise to be fulfilled, inspiring John, reporter and author, to finally write the story he was born to tell. A book that will resonate with everyone who feels deeply
rooted to a landscape, *Home Waters* is a portrait of a family who claimed a river, from one generation to the next, of how this family came of age in the 20th century and later as they scattered across the country, faced tragedy and success, yet were always drawn back to the waters that bound them together. Here are the true stories behind the beloved characters fictionalized in *A River Runs through It*, including the Reverend Maclean, the patriarch who introduced the family to fishing; Norman, who balanced a life divided between literature and the tug of the rugged West; and tragic yet luminous Paul (played by Brad Pitt in Robert Redford’s film adaptation), whose mysterious death has haunted the family and led John to investigate his uncle’s murder and reveal new details in these pages. A universal story about nature, family, and the art of fly fishing, Maclean’s memoir beautifully captures the inextricable ways our personal histories are linked to the places we come from—our home waters. Featuring twelve wood engravings by Wesley W. Bates and a map of the Blackfoot River region.

River Runs Through It and Other Stories Norman MacLean, 1992-01 In the Montana wilderness a father teaches his two sons important life lessons while trout fishing.

A River Ran Wild Lynne Cherry, 2002 From the author of the beloved classic *The Great Kapok Tree*, *A River Ran Wild* tells a story of restoration and renewal. Learn how the modern-day descendants of the Nashua Indians and European settlers were able to combat pollution and restore the beauty of the Nashua River in Massachusetts.

A River Runs Through It, 1999-01-01 Academy Award-winning director Robert Redford captures the majesty of the Montana Wilderness and the strength of the American family in this acclaimed adaptation of Norman Maclean's classic autobiography. Craig Sheffer stars as the young Norman, and Brad Pitt also stars as his brother Paul, an irresistible daredevil driven to challenge the world. Growing up, both boys rebel against their stern minister father. While Norman channels his rebellion into writing, Paul descends a slippery path to self-destruction. Co-starring Tom Skerritt as the Reverend Maclean and Emily Lloyd as wild-hearted Jessie Burns, *A river runs through it* is destined to become a classic. It's a knockout.

The Norman Maclean Reader Norman MacLean, 2012-03-01 Selected works and incidental writings by the celebrated author of *A River Runs Through It*, plus excerpts from a 1986 interview. In his eighty-seven years, Norman Maclean played many parts: fisherman, logger, firefighter, scholar, teacher. But it was a role he took up late in life, that of writer, that won him enduring fame and critical acclaim—as well as the devotion of readers worldwide. Though the 1976 collection *A River Runs Through It and Other Stories* was the only book Maclean published in his lifetime, it was an unexpected success, and the moving family tragedy of the title novella—based largely on Maclean’s memories of his childhood home in Montana—has proved to be one of the most enduring American stories ever written. The Norman Maclean Reader is a wonderful addition to Maclean’s celebrated oeuvre. Bringing together previously unpublished materials with incidental writings and selections from his more famous works, the Reader will serve as the perfect introduction for readers new to Maclean, while offering
longtime fans new insight into his life and career. In this evocative collection, Maclean as both a writer and a man becomes evident. Perceptive, intimate essays deal with his career as a teacher and a literary scholar, as well as the wealth of family stories for which Maclean is famous. Complete with a generous selection of letters, as well as excerpts from a 1986 interview, The Norman Maclean Reader provides a fully fleshed-out portrait of this much admired author, showing us a writer fully aware of the nuances of his craft, and a man as at home in the academic environment of the University of Chicago as in the quiet mountains of his beloved Montana. Various and moving, the works collected in The Norman Maclean Reader serve as both a summation and a celebration, giving readers a chance once again to hear one of American literature’s most distinctive voices. Praise for The Norman Maclean Reader “A solid, satisfying, well-made body of work by a patient craftsman.” —Chicago Tribune “The Norman Maclean Reader fills out and makes more human the impressions of the restless, inquiring storyteller we saw in previously published works. In his writings, at their best, we too feel the thrusts and strains. He is a writer of great beauty, in his own terms.” —Financial Times “Weltzien has not only done great service for Norman Maclean’s readers, he has rightly expanded Maclean’s place in American literature. . . . For me, The Norman Maclean reader is discovered treasure.” —Bloomsbury Review

_A River Runs Through It and Other Stories, Twenty-fifth Anniversary Edition_ Norman Maclean, 2009-08-14 Just as Norman Maclean writes at the end of _A River Runs through It_ that he is haunted by waters, so have readers been haunted by his novella. A retired English professor who began writing fiction at the age of 70, Maclean produced what is now recognized as one of the classic American stories of the twentieth century. Originally published in 1976, _A River Runs through It and Other Stories_ now celebrates its twenty-fifth anniversary, marked by this new edition that includes a foreword by Annie Proulx. Maclean grew up in the western Rocky Mountains in the first decades of the twentieth century. As a young man he worked many summers in logging camps and for the United States Forest Service. The two novellas and short story in this collection are based on his own experiences—the experiences of a young man who found that life was only a step from art in its structures and beauty. The beauty he found was in reality, and so he leaves a careful record of what it was like to work in the woods when it was still a world of horse and hand and foot, without power saws, cats, or four-wheel drives. Populated with drunks, loggers, card sharks, and whores, and set in the small towns and surrounding trout streams and mountains of western Montana, the stories concern themselves with the complexities of fly fishing, logging, fighting forest fires, playing cribbage, and being a husband, a son, and a father. By turns raunchy, poignant, caustic, and elegiac, these are superb tales which express, in Maclean's own words, a little of the love I have for the earth as it goes by. A first offering from a 70-year-old writer, the basis of a top-grossing movie, and the first original fiction published by the University of Chicago Press, _A River Runs through It and Other Stories_ has sold more than a million copies. As Proulx writes in her foreword to this new edition, In 1990 Norman Maclean died in body, but for hundreds of thousands of readers he will live as long as fish swim and
books are made.

**Graced by Waters** John Dietsch, Paul VanDevelder, 2020-04-28 In this inspirational and humorous collection of essays, author John Dietsch sees his addiction to and passion for fishing as a parable that can help us shift from compulsive thinking to mindfulness and a closer connection to God. From creating fishing scenes on the set of *A River Runs Through It* in Montana, to directing fly fishing shows in New Zealand and from exploring deep canyons in California to guiding in Colorado, John shares his experiences and asks the question: what are we really fishing for? Through John’s journeys across the globe, we discover that the same pursuit in fishing—of what is elusive but attainable—can be applied to our own spiritual journey. In the end, Dietsch uncovers his own truth under the rocks of a childhood river, recognizing the loss of both his brothers as the path of acceptance and faith that is graced by waters.

**Haunted by Waters** Robert T. Hayashi, 2007-08-15 Even though race influenced how Americans envisioned, represented, and shaped the American West, discussions of its history devalue the experiences of racial and ethnic minorities. In this lyrical history of marginalized peoples in Idaho, Robert T. Hayashi views the West from a different perspective by detailing the ways in which they shaped the western landscape and its meaning. As an easterner, researcher, angler, and third-generation Japanese American traveling across the contemporary Idaho landscape—where his grandfather died during internment during World War II—Hayashi reconstructs a landscape that lured emigrants of all races at the same time its ruling forces were developing cultured processes that excluded nonwhites. Throughout each convincing and compelling chapter, he searches for the stories of dispossessed minorities as patiently as he searches for trout. Using a wide range of materials that include memoirs, oral interviews, poetry, legal cases, letters, government documents, and even road signs, Hayashi illustrates how Thomas Jefferson’s vision of an agrarian, all-white, and democratic West affected the Gem State’s Nez Perce, Chinese, Shoshone, Mormon, and particularly Japanese residents. Starting at the site of the Corps of Discovery’s journey into Idaho, he details the ideological, aesthetic, and material manifestations of these intertwined notions of race and place. As he fly-fishes Idaho’s fabled rivers and visits its historical sites and museums, Hayashi reads the contemporary landscape in light of this evolution.

**Young Men and Fire** Norman MacLean, 2017-05-01 National Book Critics Circle Award Winner: “The terrifying story of the worst disaster in the history of the US Forest Service’s elite Smokejumpers.” —Kirkus Reviews A devastating and lyrical work of nonfiction, Young Men and Fire describes the events of August 5, 1949, when a crew of fifteen of the US Forest Service’s elite airborne firefighters, the Smokejumpers, stepped into the sky above a remote forest fire in the Montana wilderness. Two hours after their jump, all but three of the men were dead or mortally burned. Haunted by these deaths for forty years, Norman Maclean puts together the scattered pieces of the Mann Gulch tragedy in this extraordinary book. Alongside Maclean’s now-canonical A River Runs Through It and Other Stories, Young Men and Fire is recognized today as a classic of the American West. This edition of Maclean’s later triumph—the last book he would write—includes a powerful new foreword by Timothy Egan, author of The Big Burn and The Worst Hard Time. As moving and profound as when it was first published, Young Men and Fire honors the literary legacy of a man who gave voice to an essential corner of the American soul. “A moving account of humanity, nature, and the perseverance of the human spirit.” —Library Journal “Haunting.” —The Wall Street Journal “Engrossing.” —Publishers Weekly

**Last Bus to Wisdom** Ivan Doig, 2016-08-16 Named a Best Book of the Year by the Seattle Times and Kirkus Review The final novel from a great American storyteller. Donal Cameron is being raised by his grandmother, the cook at the legendary Double W ranch in Ivan Doig’s beloved Two Medicine Country of the Montana Rockies, a landscape that gives full rein to an eleven-year-old’s imagination. But when Gram has to have surgery for “female trouble” in the summer of 1951, all she can think to do is to ship Donal off to her sister in faraway Manitowoc, Wisconsin. There Donal is in for a rude surprise: Aunt Kate—bossy, opinionated, argumentative, and tyrannical—is nothing like her sister. She henpecks her good-natured husband, Herman the German, and Donal can’t seem to get on her good side either. After one contretemps too many, Kate packs him back to the authorities in Montana on the next Greyhound. But as it turns out, Donal isn’t traveling solo: Herman the German has decided to fly the coop with him. In the immortal American tradition, the pair light out for the territory together, meeting a classic Doigian ensemble of characters and having rollicking misadventures along the way. Charming, wise, and slyly funny, Last Bus to Wisdom is a last sweet gift from a writer whose books have bestowed untold pleasure on countless readers.
