How to Find Your Vision and Get a Life! Terry Drew Karanen, 2015-06-10 Do you find yourself struggling with life even though you're doing everything you can to get ahead? *How to Find Your Vision and Get a Life* shows you how you can create a life worth living. It takes you step by step through the process of creating your own personal vision and mission statements, the foundation necessary to accomplish your goals. You are taught the importance of the Five Ps: Possibility, Power, Passion, Practice, and Purpose. Here's what others are saying: Terry doesn't preach; he shares ideas. His ability to relate both his successes in life as well as his personal demons provide a refreshing atmosphere to promote action and healing for the reader. Dennis Merritt Jones, author of *Your Re-Defining Moments*: Becoming who you were born to be. This book provides simple, easy explanations to the challenges of life without the metaphysical psycho-babble often seen in topics like this. James Mapes, author of *Quantum Leap Thinking: An Owner's Guide to the Mind*. Terry presents an easy-to-understand personal manual written in his authentic and humorous style. It engages the reader immediately. Maxine Kaye, author of *Alive and Ageless*. *How to Feel Alive and Live Fully Every Day of Your Life*.

The 12 Week Year Brian P. Moran, Michael Lenington, 2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks. Most organizations and individuals work in the context of annual goals and plans, a twelve-month execution cycle. Instead, *The 12 Week Year* avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent and urgency increases and intensifies. *The 12 Week Year* creates focus and clarity on what matters most and a sense of urgency to do it now. In the end, more of the important stuff gets done, and the impact on results is profound. Explains how to leverage the power of a 12-week year to drive improved results in any area of your life. Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness. Authors are leading experts on execution and implementation. Turn your organization's idea of a year on its head and speed your journey to success.

Getting Results the Agile Way J. D. Meier, 2010 A guide to the Agile Results system, a systematic way to achieve both short and long-term results that can be applied to all aspects of life.

Find Your Why Simon Sinek, David Mead, Peter Docker, 2017-09-05 *Start With Why* has led millions of readers to rethink everything they do in their personal lives, their careers, and their organizations. Now *Find Your Why* picks up where *Start With Why* left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there, and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As *Start With Why* has spread around the world, countless readers have asked me the same question: How can I apply *Start With Why* to my career, team, company, or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, *Find Your Why* can help you address many important concerns, including: What if my WHY sounds just like my competitor's? Can I have more than one WHY? If my work doesn't match my WHY, what should I do? What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on, Simon.

Fierce Marriage Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy, but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen time, disconnection, and unrealistic expectations.
