Brian P. Moran,Michael Lennington

The 12 Week Year Brian P. Moran,Michael Lennington,2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

Find Your Why Simon Sinek,David Mead,Peter Docker,2017-09-05 Start With Why has led millions of readers to rethink

everything they do - in their personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

A Personal Mission Statement Michal Stawicki, 2013-05-26 THE SECRET TO THE HAPPINESS IS WITHIN YOU AND YOU CAN REVEAL IT A personal mission statement is the most powerful tool you can develop in your life. By identifying your single motivating purpose and incorporating it into your philosophy, you will have the tools to achieve happiness and success on a daily basis. I wrote "A Personal Mission Statement: Your Roadmap to Happiness" to teach you what a personal mission statement is, how to create one and, if you already have one, how to use it effectively. Unsure of what a personal mission statement is? A personal mission statement is a compass to guide your life. Though the terrain of your life can change rapidly, using this compass will ensure you always find happiness and success. Am I an expert in this field? I may not have letters like Ph.D. after my name, but I have discovered the secrets of creating personal mission statements and the amazing power they have to change lives. I have made my own and use it. But, don't take my word, see what this reader had to say: You convinced me to review, rewrite and resume my Personal Mission Statement. Michal, I don't know how to thank you. You have given me so much....now to do it. May you be blessed with much more! -- Nina Malinda, Malaysia I've seen extraordinary changes in my life as a result of following my personal mission statement, and so have many others. You can easily join the ranks of people transforming their lives! Not just the "how" There are plenty of resources available online with advice on creating a personal mission statement. In today's world we are overloaded with information, what we need is motivation to actually implement the knowledge we've gained. My book not only shares the "how," but also the "why." Another benefit of my book is that it includes the story of my struggle in crafting my personal mission statement, offering encouragement as you create yours. Your mission creation process has been inspiring. It's very worthwhile work. -- Anthony

Smits, New Zealand 6 ways to leverage your personal mission statement - achieve faster results in your life! If you are an advanced student of personal development, you have your goals defined, you know yourself, your weaknesses and strengths, but you may not have formed a personal mission statement yet - this book can still be useful for you. Check out Chapters 4 - Chiseling your personal mission statement out of raw material, and 5 - I have it, what's next? This book can be helpful for you even if you already have a personal mission statement, but are not using it. If you made your statement, but haven't begun using it, check out Chapter 5 - I have it! What's next? A personal mission statement is generally written, but if you are more responsive to visual or audio stimuli, I will show how you can use your written mission statement in conjunction with pictures and sounds. "A Personal Mission Statement: Your Roadmap to Happiness" contains: 8 high quality links to personal mission statement examples. 27 question sets. 10 mental exercises. 6 ways to put your personal mission statement into use. An inspiring, true story all in less than 9000 words, so you can begin transforming your life today. Get started immediately

The Path Laurie Beth Jones,2001-11-01 Individuals and companies have been learning what history has demonstrated all along -- that people or groups with carefully defined missions have always led and surpassed those who have none. Yet the process of outlining that mission statement has been, up to now, an arduous one that all too few have committed the time, energy, and resources to undertake. In *The Path*, best-selling author Laurie Beth Jones provides inspiring and practical advice to lead readers through every step of both defining and fulfilling a mission. With more than ten years' experience in assisting groups and individuals, Jones offers clear, step-by-step guidance that can make writing a mission statement take a matter of hours rather than months or years. Rich with humor, exercises, meditations, and case histories, *The Path* is essential reading for anyone seeking a lighter, clearer way in the world.

A Mission Statement for Your Life Stephen R. Covey,2023-08-29 A workbook for crafting your personal mission statement - with previously unpublished writing, case studies, food for thought, checklists and practical exercises from celebrated author Stephen R. Covey. At last, a much-anticipated new work from international bestselling author Stephen R. Covey. We are thrilled that GABAL Verlag will be launching Covey's *Das Leitbild deines Lebens!* (A Mission Statement for Your Life!), in which you can expect: - New, previously unpublished content - Workbook exercises designed to help you to explore your

personal mission statement and the meaning and purpose of your life - Approaches that pick up directly where global bestseller *The 7 Habits of Highly Effective People* left off - A deeper exploration of the second habit: 'Begin with the end in mind' - Much-needed answers to the pressing questions that occupy all of us - A workbook for anyone striving to live a meaningful life and keep sight of their big goals in the humdrum of the everyday. - Step-by-step guidance to creating your own personal mission statement - packed with important food for thought, fresh ideas and practical exercises. - Powerful motivation for exploring the meaning of life, setting clear goals and realising your ambitions. - Designed as a 'guiding light' to keep readers on the path towards their most important goals and dreams. Am I in the right job? How's my private life - and what do I really want to achieve? More and more of us are finding ourselves preoccupied by such existential questions. When we think about them, we quickly realise that answers are not at all easy to come by. This workbook by Stephen R. Covey is designed to help you explore the meaning of life and develop your own personal mission statement. The workbook is packed with examples, questions for reflection, food for thought, and practical tips for creating your personal mission statement. Step by step, it will help you to identify what drives you, what you (really, really) want and what makes you truly happy. By the end of it, your personal mission statement will be complete: a guiding light to keep you on the path to a meaningful, effective and successful life.

Soul Mission, Life Vision Alan Seale, 2003-04-15 Inspirational teacher Alan Seale has helped thousands of people create the lives they want. In *Soul Mission, Life Vision* he shares ancient and ageless techniques and tools that can launch the process of self-discovery essential to achieving the life of your dreams. Seale has created a program that will lead readers to a big-picture view of life, beyond the constraints of any situation. Exercises, meditations and activities that appear throughout the book guide readers through a four-fold process: Self-discovery Declaration of mission and vision Utilizing the mind and thought for creation Living your mission and manifesting your vision in daily life. The goal is to develop the power to make choices out of desire and clarity rather than circumstantial necessity. A powerful synergy will occur when you synthesize that power of choice with your own inner guidance, personal revelation, and life experience. It is that synergy that can lead to profound personal transformation and the full realization of your soul mission, your reason for being.

Small Giants Bo Burlingham, 2016-10-11 How maverick companies have passed up the growth treadmill — and focused on greatness instead. It's an axiom of business that great companies grow their revenues and profits year after year. Yet quietly, under the radar, a small number of companies have rejected the pressure of endless growth to focus on more satisfying business goals. Goals like being great at what they do, creating a great place to work, providing great customer service, making great contributions to their communities, and finding great ways to lead their lives. In *Small Giants*, veteran journalist Bo Burlingham takes us deep inside fourteen remarkable companies that have chosen to march to their own

drummer. They include Anchor Brewing, the original microbrewer; CitiStorage Inc., the premier independent records-storage business; Clif Bar & Co., maker of organic energy bars and other nutrition foods; Righteous Babe Records, the record company founded by singer-songwriter Ani DiFranco; Union Square Hospitality Group, the company of restaurateur Danny Meyer; and Zingerman's Community of Businesses, including the world-famous Zingerman's Deli of Ann Arbor. Burlingham shows how the leaders of these small giants recognized the full range of choices they had about the type of company they could create. And he shows how we can all benefit by questioning the usual definitions of business success. In his new afterward, Burlingham reflects on the similarities and learning lessons from the small giants he covers in the book.

Hello, Tomorrow! Cindy Trimm, 2018-09-04 This book will help me craft my future by teaching me to make declarations from God's Word that will set in motion His plan for my life and motivate me to believe good things from a good God so I can fulfill my destiny.

The Peter Principle Dr. Laurence J. Peter, Raymond Hull, 2014-04-01 The classic #1 New York Times bestseller that answers the age-old question Why is incompetence so maddeningly rampant and so vexingly triumphant? The Peter Principle, the eponymous law Dr. Laurence J. Peter coined, explains that everyone in a hierarchy—from the office intern to the CEO, from the low-level civil servant to a nation's president—will inevitably rise to his or her level of incompetence. Dr. Peter explains why incompetence is at the root of everything we endeavor to do—why schools bestow ignorance, why governments condone anarchy, why courts dispense injustice, why prosperity causes unhappiness, and why utopian plans never generate utopias. With the wit of Mark Twain, the psychological acuity of Sigmund Freud, and the theoretical impact of Isaac Newton, Dr. Laurence J. Peter and Raymond Hull's *The Peter Principle* brilliantly explains how incompetence and its accompanying symptoms, syndromes, and remedies define the world and the work we do in it.

Measure What Matters John Doerr, 2018-04-24 #1 New York Times Bestseller Legendary venture capitalist John Doerr reveals how the goal-setting system of Objectives and Key Results (OKRs) has helped tech giants from Intel to Google achieve explosive growth—and how it can help any organization thrive. In the fall of 1999, John Doerr met with the founders of a start-up whom he'd just given \$12.5 million, the biggest investment of his career. Larry Page and Sergey Brin had amazing technology, entrepreneurial energy, and sky-high ambitions, but no real business plan. For Google to change the world (or even to survive), Page and Brin had to learn how to make tough choices on priorities while keeping their team on track. They'd have to know when to pull the plug on losing propositions, to fail fast. And they needed timely, relevant data to track their progress—to measure what mattered. Doerr taught them about a proven approach to operating excellence: Objectives and Key Results. He had first discovered OKRs in the 1970s as an engineer at Intel, where the legendary Andy Grove (the greatest manager of his or any era) drove the best-run company Doerr had ever seen. Later, as a venture capitalist, Doerr shared Grove's brainchild with more than fifty companies. Wherever the process was faithfully practiced, it worked. In this

goal-setting system, objectives define what we seek to achieve; key results are how those top-priority goals will be attained with specific, measurable actions within a set time frame. Everyone's goals, from entry level to CEO, are transparent to the entire organization. The benefits are profound. OKRs surface an organization's most important work. They focus effort and foster coordination. They keep employees on track. They link objectives across silos to unify and strengthen the entire company. Along the way, OKRs enhance workplace satisfaction and boost retention. In *Measure What Matters*, Doerr shares a broad range of first-person, behind-the-scenes case studies, with narrators including Bono and Bill Gates, to demonstrate the focus, agility, and explosive growth that OKRs have spurred at so many great organizations. This book will help a new generation of leaders capture the same magic.

The Infinite Game Simon Sinek, 2019-10-15 From the New York Times bestselling author of *Start With Why* and *Leaders Eat Last*, a bold framework for leadership in today's ever-changing world. How do we win a game that has no end? Finite games, like football or chess, have known players, fixed rules and a clear endpoint. The winners and losers are easily identified. Infinite games, games with no finish line, like business or politics, or life itself, have players who come and go. The rules of an infinite game are changeable while infinite games have no defined endpoint. There are no winners or losers—only ahead and behind. The question is, how do we play to succeed in the game we're in? In this revelatory new book, Simon Sinek offers a framework for leading with an infinite mindset. On one hand, none of us can resist the fleeting thrills of a promotion earned or a tournament won, yet these rewards fade quickly. In pursuit of a Just Cause, we will commit to a vision of a future world so appealing that we will build it week after week, month after month, year after year. Although we do not know the exact form this world will take, working toward it gives our work and our life meaning. Leaders who embrace an infinite mindset build stronger, more innovative, more inspiring organizations. Ultimately, they are the ones who lead us into the future.

Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained

with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

40/40 Vision Peter Greer, Greg Lafferty, 2015-10-01 At midlife, our outlook can become blurry. But it's also an opportunity to recalibrate our vision. Drawing on Ecclesiastes, this book helps us navigate midlife with fresh clarity and purpose, renewing us for meaningful mission and service. Rediscover who God has called you to be and see the rest of your life with the clarity of 40/40 vision.

Visioneering, Revised and Updated Edition Andy Stanley, 2005-10-03 Everybody ends up somewhere in life. Wouldn't you like to end up somewhere on purpose? What breaks your heart? What keeps you up at night? What could be that should be? Andy Stanley believes these questions are bread crumbs that lead to the discovery of personal vision. With down-to-earth practicality, Andy extracts principles from the story of Nehemiah to help you discover your purpose in life. Visioneering includes helpful exercises and time-tested ideas for visionary decision-making, personal growth, and leadership at home and at work. Catch a glimpse of God's incredible vision for your life, relationships, and business—and discover the passion to follow it. Includes discussion guide for use in small groups.

A Minute of Vision for Men Roger Patterson, 2016 Today, so many [men] are living on autopilot instead of engaging the battle of living up to our God-given potential. We lack a vision for life. Too often, we settle for less than what is best for us, our families, and our careers. We struggle with pinpointing our purpose in life.
